EDUCATION

Rutgers Business School
Bachelor of Science in Marketing

New Brunswick, NJ
Expected May 2029

WORK & LEADERSHIP EXPERIENCE

Escalera Internship Program

New Brunswick, NJ · June 2026 - Aug 2026

Marketing Intern, Rutgers Center of Latino Arts and Culture

- Executed student outreach initiatives during Rutgers New Student Orientation, driving mailing list growth and program awareness, developing marketing collateral and campaign assets supporting fall semester.
- Collaborated with CLAC staff to develop and pitch student engagement marketing campaigns.
- Designed promotional materials to increase visibility of campus programs and events, supporting marketing strategy and event execution to strengthen student engagement across campus.

Rutgers University Recreation Kids Summer Camp

New Brunswick, NJ · June 2026 - Aug 2026

Summer Camp Counselor

- Mentor and supervise children ages 5–11 through recreational, educational, and team-building activities
- Foster a safe, inclusive, and engaging environment through sports, arts and crafts, swimming, and field trips
- Serve as a positive role model while developing leadership, communication, and problem-solving skills.

Memory Mission UX/UI Internship

New Brunswick, NJ · June 2026 - Aug 2026

UX/UI Intern

- Spearheaded a timeline-based knowledge visualization initiative for learning and memory.
- Designed and documented reusable design systems, component libraries, and page architectures
- Built high-fidelity prototypes, interface mockups, and interactive assets using Figma, applying industry design principles and iterative user-centered design processes to support future product development and scalability.

Rutgers Blueprint — UX Design Fellowship

New Brunswick, NJ · Jan 2026 - April 2026

UX Design Fellow

- Participated in a 9-week UX fellowship redesigning Amazon website features with product thinking principles.
- Created wireframes and interactive prototypes in Figma focused on a clean, user-centered interface.
- Presented research insights, design rationale, and final prototype solutions to peers and program mentors.

Rutgers CreativeX — UX Design Fellowship

New Brunswick, NJ · Jan 2026 - April 2026

UX Design Fellow

- Co-developed Sensibl amongst three team members spearheading a second-place app concept created through the full UX design process, utilizing ideation, user research, wire-framing, and iterative prototyping.
- Translated consumer insights into user-centered wireframes and interactive prototypes in Figma.
- Presented research findings, design rationale, and final product showcase to CreativeX fellowship mentors

PROJECTS

Rutgers Women in Product Designathon

New Brunswick, NJ · April 2026

- Co-developed TrimSpend, a personal finance app for college students, in a 5-day designathon; earned 1st place
- Conducted user research and created wireframes, interactive prototypes, and product demos in Figma.
- Delivered a comprehensive presentation outlining user insights, design rationale, and the final app concept.
